A 13th Tail Daniel Kelley

It's story time! With a numerical twist... Uncle Willoughby visits twins Gerald and Harold along with their sister Sara, and spins a fantastical yarn about a horse and a boy, and the amazing animals on a magical farm in a far land. The boisterous antics of the three listeners are as much fun to experience as Uncle Willoughby's characters!

As an added bonus for the clever reader, 13s are hidden throughout both Uncle Willoughby's parable and the story itself. And yes, they are disclosed at the end!

A charming adventure, a bewitching tale. A delightful read for children ages 5 through 95!
