Bliss: A Novel Shay Mitchell, Michaela Blaney, Valerie Frankel

Shay Mitchell, star of ABC Family's #1 rated show *Pretty Little Liars*, and best friend Michaela Blaney team up to write this sharp, sexy, and entertaining romp through the imperfect world of 21-year-old BFFs Sophia, Demi, and Leandra.

Sophia Marcus, 21, has already mapped out every aspect of her glamorous life as a Hollywood actor on her vision board. But her life right now in Toronto is anything but exciting. Attending fruitless auditions during the day and working at a douche-y club at night, Sophia is starting to feel like she's going nowhere...slowly.

Demi Michaels, Sophia's best friend, didn't go to college after high school. Short of ideas for her own future, she puts her energy into building the perfect relationship with an older man. And when that relationship crashes and burns, Demi is left to pick up the pieces.

Sophia's friend (and Demi's frenemy) Leandra Hunting doesn't give a crap about hard work or a loving relationship. She has other plans for her future. After college graduation, Leandra sets out to travel the world in the yachts, planes and limos of ridiculously wealthy men. Will any of them be able to show her what love really means-if she can take off her Chanel sunglasses long enough to see it?

Set in the exotic, intoxicating worlds of Hollywood, Thailand, and London, *Bliss* paints a relatable portrait of life in your early twenties with equal parts optimism and fear, hope and disappointment, expectation and reality. It's the Age of Uncertainty when you can count on nothing, but, if you're lucky enough to have one truly great friend, you can survive just about anything.

From reader reviews:

Kevin Nixon:

Information is provisions for those to get better life, information presently can get by anyone at everywhere. The information can be a know-how or any news even a concern. What people must be consider whenever those information which is within the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you get the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Bliss: A Novel as the daily resource information.

Bobby Gonsalves:

This book untitled Bliss: A Novel to be one of several books that best seller in this year, this is because when you read this book you can get a lot of benefit in it. You will easily to buy this kind of book in the book shop or you can order it by using online. The publisher on this book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Touch screen phone. So there is no reason to you personally to past this publication from your list.

Carol Jackson:

As we know that book is important thing to add our understanding for everything. By a book we can know everything you want. A book is a range of written, printed, illustrated or blank sheet. Every year had been exactly added. This publication Bliss: A Novel was filled about science. Spend your time to add your knowledge about your research competence. Some people has diverse feel when they reading some sort of book. If you know how big benefit from a book, you can really feel enjoy to read a e-book. In the modern era like at this point, many ways to get book that you simply wanted.

William Glover:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Bliss: A Novel can make you feel more interested to read.
