Austin comes to England knowing as an American he'll stick out at his new school. But when an errant owl lands him at Hogwarts he's in for more than he expected.

If it's not hard enough being the only American at Hogwarts, Austin's sorted into the most despised of all the houses. Then bumbling around the dungeon while trying to find his common room, he unwittingly helps the monster from the Chamber of Serpents. Will he discover the secret of the Chamber before he becomes another victim of He-Who-Must-Not-Be-Named?

Any profits from this book will be donated to the Children's Charity Lumos.
