Learning about OUR GREEN EARTH has never been so much fun!

Taking care of our planet has never been more important, and this book will teach even the youngest children about environmental responsibility. *Learn Every Day About Our Green Earth* makes it easy for teachers to incorporate discussions about caring for the Earth into any curriculum with activities that promote responsible behaviors and are fun and enjoyable.

In this book, activities like Recycling Adds Up and Block Compost teach children the importance of reusing and recycling, while Thank a Tree and Worms Are Good Guys teach them to respect and love nature. Global awareness is everyone's responsibility, and the activities in *Learn Every Day About Our Green Earth* help teachers pass along this important knowledge to the next generation.

Each activity features:

- Learning objectives
- Vocabulary
- Related children's books
- Materials
- Preparation (if necessary)
- What to do
- An assessment component

Each of the books in the **Learn Every Day** series offers teachers 100 classroom-tested activities that make learning fun and engaging for young children!
