The International Relations of the EU Steve Marsh, Hans Mackenstein

In an incisive and lively discussion *International Relations of the EU* examines both the economic and security dimensions of European Union external relations. The book adopts an innovative approach that combines International Relations with International Political Economy.

Set against a backdrop of EU enlargement and disarray over military intervention in Iraq, *International Relations of the EU* is a timely contribution to our understanding of the Eu's role as an international actor.

The text is suitable for advanced undergraduate courses in Politics and International Relations.
