Wendy Moffat

A Great Unrecorded History: A New Life of E. M. Forster Wendy Moffat

A REVELATORY LOOK AT THE INTIMATE LIFE OF THE GREAT AUTHOR—AND HOW IT SHAPED HIS MOST BE LOVED WORKS

With the posthumous publication of his long-suppressed novel *Maurice* in 1970, E. M. Forster came out as a homosexual— though that revelation made barely a ripple in his literary reputation. As Wendy Moffat persuasively argues in *A Great Unrecorded History*, Forster's homosexuality was the central fact of his life. Between Wilde's imprisonment and the Stonewall riots, Forster led a long, strange, and imaginative life as a gay man. He preserved a vast archive of his private life—a history of gay experience he believed would find its audience in a *happier* time.

A Great Unrecorded History is a biography of the heart. Moffat's decade of detective work—including first-time interviews with Forster's friends—has resulted in the first book to integrate Forster's public and private lives. Seeing his life through the lens of his sexuality offers us a radically new view—revealing his astuteness as a social critic, his political bravery, and his prophetic vision of gay intimacy. *A Great Unrecorded History* invites us to see Forster— and modern gay history—from a completely new angle.
