Freedom to Change: Four Strategies to Put Your Inner Drive into Overdrive Michael Fullan
Break free to make real change for yourself and others

Have you ever felt like your progress was being blocked, not just by your own circumstances, but by the presence and actions of others? *Freedom to Change* releases you from the trap of constantly telling yourself that you'd be more successful at teaching, leading, or contributing to an organization if only others didn't stand in your way. In his engaging, irreverent style, bestselling author Michael Fullan explores the two kinds of freedom in our daily lives: freedom from obstacles versus freedom to take initiative and act. Gaining freedom from barriers has no value in itself until it is partnered with an equally determined sense of what you truly want. What change would you like to bring about for yourself or those around you?

Given that human nature and productivity are fundamentally social, Fullan prescribes four dynamically interrelated actions we can take:

1. Consciously seeking a balance between our own autonomy and cooperation with others
2. Improving the feedback exchange—giving more valuable responses, as well as eliciting, hearing, and accepting feedback more effectively
3. Building accountability to others into the fabric of our working lives
4. Finding ways to influence others with the changes we've made and want to spread

Illustrated and enriched with examples from education, business, and nonprofit sectors, *Freedom to Change* offers recommendations for both individuals and organizations seeking to enhance connectedness *and* independence.

From reader reviews:

Micheal Moore:

What do you concentrate on book? It is just for students as they are still students or the item for all people in the world, exactly what the best subject for that? Just you can be answered for that issue above. Every person has different personality and hobby for every single other. Don't to be pushed someone or something that they don't would like do that. You must know how great along with important the book Freedom to Change: Four Strategies to Put Your Inner Drive into Overdrive. All type of book could you see on many solutions. You can look for the internet methods or other social media.

Joseph Taylor:

Playing with family within a park, coming to see the water world or hanging out with pals is thing that usually you may have done when you have spare time, then why you don't try matter that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Freedom to Change: Four Strategies to Put Your Inner Drive into Overdrive, you can enjoy both. It is fine combination right, you still desire to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't get it, oh come on its known as reading friends.

Meagan Shaffer:

Your reading sixth sense will not betray you, why because this Freedom to Change: Four Strategies to Put Your Inner Drive into Overdrive publication written by well-known writer we are excited for well how to make book that may be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and composing skill only for eliminate your own personal hunger then you still skepticism Freedom to Change: Four Strategies to Put Your Inner Drive into Overdrive as good book not only by the cover but also with the content. This is one guide that can break don't determine book by its include, so do you still needing yet another sixth sense to pick this specific!? Oh come on your looking at sixth sense already told you so why you have to listening to an additional sixth sense.

Beth Call:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Freedom to Change: Four Strategies to Put Your Inner Drive into Overdrive can make you truly feel more interested to read.
