Illustrated Dictionary of Building Design and Construction Ernest Burden

With a straightforward A-Z organization, and more photos, drawings, and diagrams than any other illustrated dictionary, this dictionary will be a mainstay on the shelves of anyone involved in the building industry. The wide range of topics makes it the only single volume reference to cover all aspects of design, construction, and related business terminology. A sampling of the categories includes: •Project management •Construction process and management •Design-Build •Eco-design and green building •Marketing and presentation No other illustrated construction dictionary covers design, the coordination between the entire design and project delivery process, and the business aspects of the building industry. In addition, it includes more photos, detailed drawings, and diagrams than any other book on the shelf.
