Invisible Moon: MythWorld Book Two (Volume 2) James A. Owen

MYTHWORLD The second volume, Invisible Moon, takes place in a small haven called Silvertown, in upstate New York, where a journalist named Meredith has just received news of the murder of her father – Michael Langbein. But before he died, he sent her a clue to his death and to the strange and terrifying changes taking place all around the world: a page from the mysterious Prime Edda. With the help of her lover Shingo, and the photographer Weird Harold, Meredith begins to investigate as a terrible winter settles over the world... and everything begins to change. Technology no longer works. Electricity fails. Vehicles are turning into mythological creatures... and so are the people – including Meredith herself, who may be turning into the Russian witch, Baba Yaga...
