Melanie's ultimate fantasy is to share a deeply sexual experience with two men who are as enthusiastic about being with one another as they are with her. Her boyfriend, Jordan, definitely has his reservations about adding another man into the mix, but he wants to try something new.

Jordan is expecting to merely endure the experience for the benefit of Melanie, but what ends up happening sparks a crisis that he should have had ten years ago. After an electric night with Melanie and their mutual friend Brian, his mind still buzzing with sexual confusion, Jordan suspects that he likes men more than he thought. What follows is **a vividly described exploration of carnal pleasures and emotional turmoil that is too hot to be revealed in this description.**

This is the story of one woman and two men who share their bodies and perhaps far more!
