John Stuart Mill

On Liberty and Other Essays (Oxford World's Classics) John Stuart Mill

Collected here in a single volume for the first time are John Stuart Mill's *On Liberty*, *Utilitarianism*, *Considerations on Representative Government*, and *The Subjection of Women*. These essays show Mill applying his liberal utilitarian philosophy to a range of issues that remain vital today--the nature of ethics, the scope and limits of individual liberty, the merits of and costs of democratic government, and the place of women in society. In his Introduction John Gray describes these essays as applications of Mill's doctrine of the *Art of Life*, as set out in *A System of Logic*. Using the resources of recent scholarship, he shows Mill's work to be far richer and subtler than traditional interpretations allow.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
