The Last Days of Socrates (Penguin Classics) Plato

The trial and death of Socrates (469-399 BCE) have almost as central a place in Western consciousness as the trial and death of Jesus. In four superb dialogues, Plato provides the classic account. Euthyphro finds Socrates outside the court-house, debating the nature of piety, while the Apology is his robust rebuttal of the charges of impiety and a defence of the philosopher's life. In the Crito, while awaiting execution in prison, Socrates counters the arguments of friends urging him to escape. Finally, in the Phaedo, he is shown calmly confident in the face of death, skilfully arguing the case for the immortality of the soul.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
