Back Story: Lt. Marsh (Scott Wolfe Series) S.L. Shelton

It was supposed to be a simple rescue Op. A squad from SEAL Team 10 was to be inserted in Helmand Province, Afghanistan to recover survivors from a crashed command helicopter—Lieutenant Marsh quickly discovered that nothing about it would be simple.

Dropped into the story during Operation Mountain Thrust, May 2006, and propelled through the resulting chain of events, you will discover how Lieutenant Steve Marsh ends up on SEAL Team 9, sheep dipped by the CIA and struggles with the tribulations of trying to be with the woman he loves under impossible circumstances.

This action packed novella is the first of a series of Back Stories for the Scott Wolfe series and is sure to lend depth and definition to the characters and insight into their behavior.
