Educational Psychology (with MyLabSchool) (10th Edition) (MyLabSchool Series) Anita E. Woolfolk
This best-selling, classic text provides beginning teachers with the tools and inspiration to become masters of their chosen profession. The Tenth Edition maintains the lucid writing style for which the author is renowned, combined with a clear emphasis on educational psychology's practical relevance. This edition provides especially helpful new chapter on Engaged Learning: Cooperation and Community, recognizing the challenges educators face in the next decade to keep all students connected to learning and all schools safe and compassionate. The most applied text on the market, this text is replete with examples, lesson segments, case studies, and practical ideas from experienced teachers. In addition, at the end of the text is *Becoming a Professional: A Handbook for Successful Teaching and Lifelong Learning*, which provides students with even more tools for passing licensure examinations, getting a job, and teaching well, no matter what surprises come their way.
