NONSENSE FROM THE BIBLE - HANDBOOK OF VERSES Brian Baker

The purpose of this Handbook is to provide a source of reference and information for anyone seeking interesting and controversial bible verses. Many of the verses may not be generally known by many Christians or usually heard in church or quoted by Televangelists.

This is not an exhaustive list of verses of each subject as I have not included those which are repeated in other texts or are not applicable to the form of this list. Neither is this book intended to be a 'bible commentary' although some subjects and verses that require some additional explanation have added comment.
