The Bohemians Sean Michael

Topaz is a free-spirit, loving easily, though searching for his true soul-mate. As soon as he meets Quincy, he realizes this is the man who has been calling for him in his dreams and he offers his whole self, body, heart, mind and soul, without thought.

Quincy gives away his heart too easily, and has been hurt in love more than once. Still, that doesn't stop him from falling head over heels for Topaz when he first meets the man.

It seems like a match made in heaven, but Topaz lives with two men who are his best friends, and also his lovers. Will Quincy ever be able to understand that Topaz has more than enough love in his heart for his best friends and his soul-mate, or will Topaz's bohemian ways be too much for Quincy to understand?
