What if you could see how your life would unfold--just by clicking a button?

It's 1996, and less than half of all American high school students have ever used the Internet. Emma just got her first computer and an America Online CD-ROM. Josh is her best friend. They power up and log on--and discover themselves on Facebook, fifteen years in the future. Everybody wonders what their destiny will be. Josh and Emma are about to find out.
