1915 (The War Years Book 2) James Farner

The first brutal year of World War I has ended and now everyone understands this isn't a war that will end by Christmas. With thousands lying dead on the fields of France and Belgium, the Keeton brothers continue to fight on.

Danny discovers the painful truth of what happened to his older brother Jacob Keeton, and realises not all enemies wear the uniform of a German soldier. A brief reprieve from the war allows him to live the life of a fifteen-year-old for a fleeting moment, before the war takes a new and brutal turn.

When Danny discovers the bullets of his own side can be just as deadly as those from Imperial Germany, death might be closer than he thinks.
