Buck Fever: A Blanco County Mystery (Blanco County Mysteries) Ben Rehder

Edgar Award-nominated author Ben Rehder's Blanco County comic mysteries have made best-of-the-year lists in Publishers Weekly, Library Journal, Kirkus Reviews, and Field & Stream.

Buck Fever: It's the week before deer hunting season, as close to a statewide holiday as you get in Texas, and the locals are getting restless. Game Warden John Marlin has his hands full with poaching complaints coming in faster than he can write out-of-season tickets. Then a call of a different sort comes in. A man dressed up in some sort of deer costume has been shot at the Circle S ranch, and witnesses are reporting a massive wild-eyed buck prancing about the pasture in a lovesick frenzy. Marlin's seen a lot in his years, but this is wilder than he could have imagined: the man in the deer suit is a good friend, and the whacked-out whitetail isn't exactly a stranger either. It's the beginning of a mad, frantic weekend in Blanco County, one that will see a few more men shot, an invasion by Colombians with more than hunting on their minds, and damn near the end of Marlin's life. Ben Rehder serves it all up with a huge helping of humor in this debut comic mystery that will firmly establish him as the funniest crime writer in Texas.

Other books by Ben Rehder:

The Driving Lesson: Charlie Dunbar had big plans for the summer break, but becoming a fugitive was nowhere on the list. Even more unexpected, his partner in crime is his own ailing grandfather. Now they're on the run, trying to make it across the country to see a special kind of doctor, while the world becomes mesmerized by their journey. They are the subject of heated debates on cable news channels. Thousands of people voice their support on Facebook fan pages. And Charlie's own parents appear on live TV to plead for him to come home safely. But Charlie isn't ready yet. He's determined to get his grandfather to Seattle. The only question is, will the police stop him first? ****Recommended for ages 13 to adult.****

The Chicken Hanger: Ricky Delgado longs for the same things every American citizen wants: A steady job, a nice home, a decent place to raise a family. The problem is, he's in the country illegally. He's been here eight months, keeping a low profile as he works in a poultry plant in South Texas. But when his brother Tomas becomes the victim of random violence while crossing the Rio Grande, Ricky's shot at the American dream is placed in jeopardy. Because now he wants something even more important. Justice.
