Fighting Fire Is His Nature

To Dade Johnson, fire is a danger he can handle. But the blaze he feels from the moment he lays eyes--and hands, and mouth--on Sarah Jo is too hot to handle. Something about the free-spirited camp cook has him throwing caution to the wind. Little does the hotshots' second-in-command know he's cozying up with a suspected arsonist. . . .

She Can't Help Fanning The Flames

Sarah Jo knows she should steer clear of Dade. A bona fide hero who battles wildland fires every day deserves better than a woman on the run. But their five-alarm attraction has Sarah Jo too weak in the knees to resist playing with fire--until her past catches up with her. Soon, she'll have to choose between surrendering her secrets--or taking them both down in flames. . . .
