Magister Ludi (The Glass Bead Game)

Hermann Hesse

Magister Ludi (The Glass Bead Game) Hermann Hesse

This is Herman Hesse's last and greatest work, which won for him the Nobel Prize for Literature. Described as "sublime" by Thomas Mann, admired by Andre Gide and T. S. Eliot, it is considered one of the important novels of the twentieth century. Originally published in German as *Das Glasperlenspiel* and recently published in a new translation as *The Glass Bead Game*, it is better known in English as *Magister Ludi*. This new translation is as majestic and contemporary as its content. The award-winning translators, Richard and Clara Winston, have captured Herman Hesse at the height of his creative and prophetic powers, and this book is the key to a full understanding of his thought.
