Cold Mountain

Charles Frazier

Cold Mountain Charles Frazier

Cold Mountain is an extraordinary novel about a soldier's perilous journey back to his beloved at the end of the Civil War. At once a magnificent love story and a harrowing account of one man's long walk home, *Cold Mountain* introduces a stunning new talent in American literature.

Based on local history and family stories passed down by the author's great-great-grandfather, *Cold Mountain* is the tale of a wounded soldier, Inman, who walks away from the ravages of the war and back home to his prewar sweetheart, Ada. Inman's odyssey through the devastated landscape of the soon-to-be-defeated South interweaves with Ada's struggle to revive her father's farm, with the help of an intrepid young drifter named Ruby. As their long-separated lives begin to converge at the close of the war, Inman and Ada confront the vastly transformed world they've been delivered.

Charles Frazier reveals marked insight into man's relationship to the land and the dangers of solitude. He also shares with the great nineteenth century novelists a keen observation of a society undergoing change. *Cold Mountain* re-creates a world gone by that speaks eloquently to our time.
