Globalization (2nd Edition) Lui Hebron, John F. Stack Jr.

***Globalization* demystifies the rhetoric surrounding one of the most hotly debated topics among scholars, commentators, and policymakers.**

Presenting arguments for and against globalization, this brief text examines a wide range of views on the economic, political, cultural, and environmental dimensions of globalization and exposes their underlying frameworks, methodologies, and expectations. Throughout, *Globalization* compares rhetoric and reality and argues that there is no one way to understand this complex phenomenon.
