Manifesto of the Communist Party Frederick Engels Karl Marx

This Elibron Classics book is a facsimile reprint of a 1893 edition by International Bookshop PTY. Ltd., London. This authorized 1888 English edition of The Communist Manifesto contains, in addition to an appendix with several key prefaces revised strictly for this version through careful comparison with their originals, the unique preface to the 1882 Russian edition, which Engels once thought to have been lost and which would find itself translated anew and used for the 1890 German edition.
