On Desperate Ground James R. Benn

On Desperate Ground is the story of men and women caught up in the death throes of Nazi Germany, struggling to maintain those things precious to them—life, an end to killing, and even sanity itself. Colonel Johann Faust has lost everyone he ever loved and feels he is going inexorably insane. He hears the haunting voice of his dead fiancée and the demons that roar through his mind as he perfects a plan to save Nazi Germany from defeat and insure a greater and deadlier new world war. Captain Dieter Neukirk, once a protégé of Faust's, is more concerned with saving the lives of his remaining men than sacrificing them in a fanatical last stand. Meanwhile, Elsa Klein, Dieter's lover and the chief social worker at a Berlin hospital, is engaged in her own dangerous work, providing medical care and identity papers to hidden Jews in the city. American Captain Mack Mackenzie, pulled from a military hospital before his wounds are healed, is assigned to investigate reports of a secret Nazi operation. Wanting only to make it home alive, Mack finds himself in a life and death struggle with unlikely allies and a ferociously determined opponent. Americans and Germans alike are drawn to a hilltop in the remote German countryside, where they find themselves between powerful armies and forced into a terrible decision that could end one war or begin a new one.

From reader reviews:

Rodney Mitchell:

In this 21st century, people become competitive in every single way. By being competitive right now, people have to do something to make these individuals survive, being in the middle of the particular crowded place and notice by simply surrounding. One thing that at times many people have underestimated this for a while is reading. Yes, by reading a book your ability to survive improves then having a chance to stand out than others is high. For you personally who want to start reading a new book, we give you this specific On Desperate Ground book as a beginner and daily reading reserve. Why, because this book is usually more than just a book.

Alma Rasmussen:

The book On Desperate Ground will bring someone to the new experience of reading any book. The author's style to elucidate the idea is very unique. In case you try to find a new book you just read, this book is very suitable to you. The book On Desperate Ground is much recommended to you you just read. You can also get the e-book in the official web site, so you can quicker to read the book.

Major Talley:

Reading an e-book tends to be a new life style in this particular era of globalization. With studying you can get a lot of information that can give you benefit in your life. Along with books everyone in this world may share their idea. Textbooks can also inspire a lot of people. A great deal of authors can inspire their very own readers with their story as well as their experience. Not only the story that is shared in the guides, but also they write about the ability about something that you need, for example, how to get a good score on TOEFL, or how to teach your young ones, there are many kinds of books which exist now. The authors on earth always try to improve their skill in writing, they also do some exploration before they write with their book. One of them is this On Desperate Ground.

Haydee Todd:

This On Desperate Ground is a fresh way for you who has attention to look for some information because it relieves your hunger for details. Getting deeper you onto it getting knowledge more you know or you who still having a bit of digest in reading this On Desperate Ground can be the light food for you personally because the information inside this particular book is easy to get by means of anyone. These books acquire themselves in the form that is certainly reachable by anyone, sure I mean in the e-book web form. People who think that in reserve form make them feel tired even dizzy this guide is the answer. So there is absolutely no in reading an e-book especially this one. You can find what you are looking for. It should be here for you. So, don't miss it! Just read this e-book style for your better life and also knowledge.
