Storms: My Life with Lindsey Buckingham and Fleetwood Mac Carol Ann Harris

[A] candid account-and a rare glimpse-of life inside the band -Chicago Sun-Times As the girlfriend of Fleetwood Mac's singer and guitarist Lindsey Buckingham for eight years, Carol Ann Harris was the consummate insider. She was there when Rumours hurtled the band into superstardom, and kept an audio diary as they went on grueling tours around the world and indulged in incestuous affairs. In this memoir, she captures in intimate detail the behind-the-scenes parties, fights, drug use, shenanigans, and sex lives of one of the world's greatest bands. As other stars-Mick Jagger, Eric Clapton, Dennis Wilson-interacted with the band, Carol Ann watched and took notes, and now presents a dramatic story of passion and chaos. It is the only book that will take you where you've always wanted to go-into the very heart of Fleetwood Mac's storms.
