## **Swan's Braid and Other Tales of Terizan** Tanya Huff

A new short story collection from Tanya Huff.

You can't belong to the Thieves' Guild if you can't break into the Thieves' Guild. When Terizan dropped out of the secret passage, past the net, and into the Inner Sanctum, she was astonished to discover that no one else had ever made it that far. Unfortunately, neither Terizan nor the Guild are thrilled about the sudden perception that she's the best thief in Oreen – the title comes with expectations and the Guild only ever expects the worst. In these five tales, mercenary captains, murderous royal families, ghosts, gods, and wizards prove that while it may not always be lonely at the top, it's definitely annoying. Good thing half a dozen gods owe Terizan a favour.
