The American Revolution: A History (Modern Library Chronicles)

Gordon S. Wood

The American Revolution: A History (Modern Library Chronicles) Gordon S. Wood
NEW YORK TIMES BESTSELLER

“An elegant synthesis done by the leading scholar in the field, which nicely integrates the work on the American Revolution over the last three decades but never loses contact with the older, classic questions that we have been arguing about for over two hundred years.”—**Joseph J. Ellis, author of *Founding Brothers***

A magnificent account of the revolution in arms and consciousness that gave birth to the American republic.

When Abraham Lincoln sought to define the significance of the United States, he naturally looked back to the American Revolution. He knew that the Revolution not only had legally created the United States, but also had produced all of the great hopes and values of the American people. Our noblest ideals and aspirations—our commitments to freedom, constitutionalism, the well-being of ordinary people, and equality—came out of the Revolutionary era. Lincoln saw as well that the Revolution had convinced Americans that they were a special people with a special destiny to lead the world toward liberty. The Revolution, in short, gave birth to whatever sense of nationhood and national purpose Americans have had.

No doubt the story is a dramatic one: Thirteen insignificant colonies three thousand miles from the centers of Western civilization fought off British rule to become, in fewer than three decades, a huge, sprawling, rambunctious republic of nearly four million citizens. But the history of the American Revolution, like the history of the nation as a whole, ought not to be viewed simply as a story of right and wrong from which moral lessons are to be drawn. It is a complicated and at times ironic story that needs to be explained and understood, not blindly celebrated or condemned. How did this great revolution come about? What was its character? What were its consequences? These are the questions this short history seeks to answer. That it succeeds in such a profound and enthralling way is a tribute to Gordon Wood’s mastery of his subject, and of the historian’s craft.

From the Hardcover edition.

From reader reviews:

Bruce England:

What do you regarding book? It is not important along? Or just adding material when you require something to explain what yours problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everybody has many questions above. They have to answer that question mainly because just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need this The American Revolution: A History (Modern Library Chronicles) to read.

Charles Beaudoin:

As people who live in typically the modest era should be change about what going on or information even knowledge to make these people keep up with the era which is always change and progress. Some of you maybe will update themselves by reading books. It is a good choice in your case but the problems coming to anyone is you don't know which one you should start with. This The American Revolution: A History (Modern Library Chronicles) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and need in this era.

John Ashton:

Reading a guide tends to be new life style in this particular era globalization. With reading through you can get a lot of information that will give you benefit in your life. Along with book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their own reader with their story or maybe their experience. Not only the story that share in the publications. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some investigation before they write with their book. One of them is this The American Revolution: A History (Modern Library Chronicles).

Mary Andrade:

The reason why? Because this The American Revolution: A History (Modern Library Chronicles) is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will jolt you with the secret the item inside. Reading this book next to it was fantastic author who have write the book in such awesome way makes the content on the inside easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have such as help improving your talent and your critical thinking means. So , still want to hold off having that book? If I had been you I will go to the e-book store hurriedly.
