The Army of Northern Virginia (Men at Arms Series, 37)

Philip Katcher

The Army of Northern Virginia (Men at Arms Series, 37) Philip Katcher

On June 27, 1862, with the American Civil War already a year old, General Robert E. Lee assumed personal command of troops engaged in driving the Federal Army of the Potomac out of Richmond – troops which would henceforth be known as The Army of Northern Virginia. Philip Katcher explores in absorbing detail all aspects of the army, including infantry, cavalry, artillery, technical and medical corps, paying particular attention to equipment, weapons and uniforms. Contemporary and museum photographs, together with the author's expert text, combine to paint a vivid and accurate picture of what life was like for the average confederate soldier.
