Colorful dreams and tales: Chagall's world full of everyday miracles

The Belarusian painter Marc Chagall (1887-1985) is widely regarded as epitomizing the "**painter as poet**". The worldwide admiration he commanded remains unparalleled by any artist of the century.

Chagall's paintings, steeped in mythology and mysticism, portray colorful dreams and tales that are deeply rooted in his Russian Jewish origins. The memories and yearning they evoke recall his native Vitebsk, and the great events that mark the life of ordinary people: birth, love, marriage and death. They tell of a world full of everyday miracles—in the room of lovers, on the streets of Vitebsk, beneath the Eiffel Tower in Paris.

Heaven and earth seem to meet in a topsy-turvy world in which whimsical figures of people and animals float through the air with gravity-defying serenity.

About the Series:

Each book in TASCHEN's Basic Art series features:

- a detailed chronological summary of the life and oeuvre of the artist, covering his or her cultural and historical importance
- a concise biography
- approximately 100 illustrations with explanatory captions
