Dictionary of Brazilian Literature

Irwin Stern

Dictionary of Brazilian Literature Irwin Stern

An important contribution to a little-known area of literary study. The contributors provide a comprehensive overview of Brazilian literature; all are scholars of Brazilian literature. *Choice*

The Dictionary of Brazilian Literature is an important addition to the field of Brazilian studies, and despite certain limitations, it should become a standard reference work in the United States as well as in Brazil. Literature and history scholars, students of Brazilian letters, and casual readers will find the book highly informative, up to date, well organized, carefully written, and reasonably complete. *World Literature Today*

This is the first general dictionary of Brazilian literature for the English-speaking reader. The entries, which portray the literature within the sociocultural context of Brazilian life, describe more than 300 major figures and literary and cultural movements of Brazilian civilization. The time span extends from the epoch of discovery to the present day, and focuses on the twentieth century, particularly the most contemporary figures. The length of each entry reflects the significance of the subject; in order to cover as many writers and themes as possible, less well known or very recent authors are discussed in general thematic entries.

Each entry provides concise, factual information. The more extensive pieces also offer a critical perspective for placing the writer in context, and provide conflicting critical opinions. The entries are of two types: author entries and thematic or movement entries. The thematic entries include the standard literary movements and also sociocultural movements of significance. The volume cross-references names both in the body of the text and in the index. Each entry includes a bibliography composed of additional selected works, translations, and criticism. This volume, which is designed for an English-speaking audience, stresses translations of works and critical references to English-language sources. It will be an important addition to college and university libraries, and a useful reference tool for courses in comparative literature.

Irma Patterson:

Exactly why? Because this Dictionary of Brazilian Literature is an unordinary book that the inside of the publication waiting for you to snap it but latter it will surprise you with the secret that inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content on the inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of rewards than the other book include such as help improving your ability and your critical thinking means. So , still want to hold off having that book? If I were being you I will go to the publication store hurriedly.

Catherine Mejia:

Your reading 6th sense will not betray a person, why because this Dictionary of Brazilian Literature publication written by well-known writer whose to say well how to make book which might be understand by anyone who all read the book. Written throughout good manner for you, still dripping wet every ideas and composing skill only for eliminate your personal hunger then you still skepticism Dictionary of Brazilian Literature as good book not simply by the cover but also by content. This is one publication that can break don't ascertain book by its deal with, so do you still needing yet another sixth sense to pick this particular!?! Oh come on your reading sixth sense already told you so why you have to listening to a different sixth sense.

William Lebel:

A lot of guide has printed but it takes a different approach. You can get it by net on social media. You can choose the most effective book for you, science, comedian, novel, or whatever through searching from it. It is identified as of book Dictionary of Brazilian Literature. You can include your knowledge by it. Without making the printed book, it might add your knowledge and make you actually happier to read. It is most important that, you must aware about book. It can bring you from one spot to other place.
