## **The Others** Seba al-Herz

A best-selling book when it appeared in Arabic, *The Others* is a literary tour de force, offering a window into one of the most repressive societies in the world. Seba al-Herz tells the story of a nameless teenager at a girls' school in the heavily Shi'ite Eastern Province of Saudi Arabia. Like her classmates, she has no contact with men outside her family. When the glamorous Dai tries to seduce her, her feelings of guilt are overcome by an overwhelming desire for sexual and emotional intimacy. Dai introduces her to a secret world of lesbian parties, online flirtations, and hotel liaisons—a world in which the thrill of infatuation and the shame of obsession are deeply intertwined. Al-Herz's erotic, dreamlike story of looming personal crisis is a remarkable portrait of hidden lives.

### From reader reviews:

#### David Miller:

This The Others usually are reliable for you who want to be considered a successful person, why. The explanation of this The Others can be on the list of great books you must have is giving you more than just simple studying food but feed you with information that perhaps will shock your previous knowledge. This book is usually handy, you can bring it all over the place and whenever your conditions in the e-book and printed ones. Beside that this The Others giving you an enormous of experience like rich vocabulary, giving you trial run of critical thinking that we realize it useful in your day exercise. So , let's have it and revel in reading.

#### Audrey Rivas:

This The Others is great e-book for you because the content which can be full of information for you who also always deal with world and get to make decision every minute. This book reveal it facts accurately using great organize word or we can state no rambling sentences included. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but difficult core information with beautiful delivering sentences. Having The Others in your hand like getting the world in your arm, info in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen minute right but this book already do that. So , this really is good reading book. Hello Mr. and Mrs. hectic do you still doubt this?

#### Andrew Thompson:

Reading a book for being new life style in this calendar year; every people loves to study a book. When you study a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you want to get information about your study, you can read education books, but if you want to entertain yourself read a fiction books, such us novel, comics, in addition to soon. The The Others provide you with a new experience in reading through a book.

#### Keith Karam:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information coming from a book. Book is prepared or printed or highlighted from each source which filled update of news. In this modern era like right now, many ways to get information are available for anyone. From media social including newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your book? Or just searching for the The Others when you required it?
