Foundations for Offender Management: Theory, Law and Policy for Contemporary Practice Anne Robinson

'Offender management' for probation means continuing commitment to constructive work with individuals who break the law but in a changing multi-agency context. Providing a comprehensive introduction to criminal justice work, this book negotiates the structures set by law and policy and allows readers to think critically about roles, accountabilities and professional skills and judgement. Looking at key areas of practice and law, including youth justice, human rights and safeguarding children, the book will be essential for students and practitioners in criminal justice and probation studies.
