## **Gone Girl** Gillian Flynn

Marriage can be a real killer. One of the most critically acclaimed suspense writers of our time, New York Times bestseller Gillian Flynn takes that statement to its darkest place in this unputdownable masterpiece about a marriage gone terribly, terribly wrong. The Chicago Tribune proclaimed that her work “draws you in and keeps you reading with the force of a pure but nasty addiction.” *Gone Girl*’s toxic mix of sharp-edged wit and deliciously chilling prose creates a nerve-fraying thriller that confounds you at every turn. On a warm summer morning in North Carthage, Missouri, it is Nick and Amy Dunne’s fifth wedding anniversary. Presents are being wrapped and reservations are being made when Nick’s clever and beautiful wife disappears from their rented McMansion on the Mississippi River. Husband-of-the-Year Nick isn’t doing himself any favors with cringe-worthy daydreams about the slope and shape of his wife’s head, but passages from Amy’s diary reveal the alpha-girl perfectionist could have put anyone dangerously on edge. Under mounting pressure from the police and the media—as well as Amy’s fiercely doting parents—the town golden boy parades an endless series of lies, deceits, and inappropriate behavior. Nick is oddly evasive, and he’s definitely bitter—but is he really a killer? As the cops close in, every couple in town is soon wondering how well they know the one that they love. With his twin sister, Margo, at his side, Nick stands by his innocence. Trouble is, if Nick didn’t do it, where is that beautiful wife? And what was in that silvery gift box hidden in the back of her bedroom closet? With her razor-sharp writing and trademark psychological insight, Gillian Flynn delivers a fast-paced, devilishly dark, and ingeniously plotted thriller that confirms her status as one of the hottest writers around.

#### **Anthony Martin:**

Don't be worry for anyone who is afraid that this book will filled the space in your house, you will get it in e-book method, more simple and reachable. This particular Gone Girl can give you a lot of pals because by you considering this one book you have matter that they don't and make an individual more like an interesting person. This book can be one of one step for you to get success. This book offer you information that maybe your friend doesn't understand, by knowing more than some other make you to be great people. So , why hesitate? Let me have Gone Girl.

#### **Russell Fielder:**

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Gone Girl can make you sense more interested to read.
