The Aesthetics of Violence in Contemporary Media Gwyn Symonds

The topic of violence in the media seems as inundated as can be. Countless studies and research projects have been conducted, mostly to show its negative effects on society. What Gwyneth Symonds proposes, though, takes this significant topic one step further: studying the aesthetics of media violence. By defining key terms like the 'graphic' nature and 'authenticity' of violent representations, and discussing how those definitions are linked to actual violence outside the film and television screen, Symonds broadens the arena of study.

Engagingly written, *The Aesthetics of Violence in Contemporary Media* fills an important gap. Symonds uses existing studies for the empirical audience reception data, together with discussions of the different representations of violence to look at violence in the media as an art form in of itself. By looking at *The Simpsons*, *Bowling for Columbine* and Norma Khouri's *Forbidden Love*, just to name a few, Symonds cross-analyzes violence in multiple media to see their affective role in audience reception - an important aspect when discussing media. The book strikes a balance between the readers' need to see how theory matches what actually happens in the texts in question and the demands of a theoretical overview.

From reader reviews:

Karen Shiner:

This The Aesthetics of Violence in Contemporary Media book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is actually information inside this e-book incredible fresh, you will get data which is getting deeper you actually read a lot of information you will get. This specific The Aesthetics of Violence in Contemporary Media without we understand teach the one who reading through it become critical in pondering and analyzing. Don't be worry The Aesthetics of Violence in Contemporary Media can bring any time you are and not make your case space or bookshelves' turn out to be full because you can have it with your lovely laptop even mobile phone. This The Aesthetics of Violence in Contemporary Media having very good arrangement in word as well as layout, so you will not feel uninterested in reading.

Alma Miranda:

Nowadays reading books be a little more than want or need but also get a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want send more knowledge just go with schooling books but if you want sense happy read one along with theme for entertaining for instance comic or novel. The The Aesthetics of Violence in Contemporary Media is kind of guide which is giving the reader unstable experience.

Teresa Burns:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a understanding or any news even an issue. What people must be consider whenever those information which is from the former life are hard to be find than now could be taking seriously which one is suitable to believe or which one the actual resource are convinced. If you have the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take The Aesthetics of Violence in Contemporary Media as the daily resource information.

Miguel Sherman:

This The Aesthetics of Violence in Contemporary Media is great guide for you because the content and that is full of information for you who else always deal with world and also have to make decision every minute. This book reveal it information accurately using great plan word or we can claim no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tough core information with wonderful delivering sentences. Having The Aesthetics of Violence in Contemporary Media in your hand like having the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world with ten or fifteen tiny right but this book already do that. So , this can be good reading book. Hi Mr. and Mrs. stressful do you still doubt

that?
