Featuring a new introduction, this classic by management's top guru forecasts the business trends of the next millennium. Peter Drucker's career as a business author spans 60 years, and centers around his three seminal management works: *The Frontiers of Management*, *Managing for the Future*, and *Managing in a Time of Great Change*. *The Frontiers of Management* is a clear, direct, lively, and comprehensible examination of global trends and management practices. There are chapters dealing with the world economy, hostile takeovers, and the unexpected problems of success. Jobs, younger people, and career gridlock are also covered.
