Tradition and the Church Rev. Msgr. George Agius D.D. J.C.D.

What exactly is Tradition? This is the only book we know on the subject. Published in 1928 by a priest with three doctors' degrees, this book exposes all aspects of Tradition, so that once a person has read this book, he will never question the nature of Tradition again. Every priest, bishop and cardinal, every seminarian and everyone who considers himself to be an informed Catholic should also read this providential book---which is reappearing at a crucial time in the history of the Church, to help clarify our understanding about the nature of the Deposit of Faith and how we should all revere and cherish the Tradition of the Church!

"I've only read the first couple of chapters so far, but already it has been well worth the price. Thank you so much for publishing this treasure that is so needed in our Lord's Church today!"---P.T., TN
