CHASING JUSTICE

Piper Anderson has been given a fresh start in the picturesque town of Edenville, North Carolina. But her plans of settling into a normal life are derailed when she witnesses a prominent judge in her community committing a violent assault. Running from her own past and fueled by a passion to make the judge answer for his crimes, Piper is forced to decide if she'll play by the rules or achieve justice in her own way.

Complicating things further, Piper finds herself fighting a powerful attraction to rookie cop, Bobby Wright. Although she's increasingly enamored with Bobby, his staunch belief in the justice system is in stark contrast to her own. She may not share his opinions about the effectiveness of the law, but she certainly can't deny how safe she feels when she's in his arms or how every kiss leaves her desperate for more.

For Piper, the idea of finally living an ordinary life with a man to love is tempting. However, fate keeps placing the judge, quite literally, in her path. Will she decide the only way to win is to be as wicked as the judge, but with righteous intentions? And more importantly, will Bobby choose to let her go, or follow her as she crosses the line and takes justice into her own hands?

Reviews:

"Brought to life through witty dialogue peppered with southern charm, you half expect them to walk right off the pages into your living room." - Amazon Review

"I really enjoyed the gentle romance between Piper and unassuming but insightful Hero, Bobby. I simply adored Betty, whose Southern motherly charm and vernacular caused me to snort with laughter on many occasions." - Amazon Review
