Pi in the Sky Wendy Mass

Joss is the seventh son of the Supreme Overlord of the Universe. His older brothers help his dad rule the cosmos, but all Joss gets to do is deliver pies. That's right: pies. Of course, these pies actually hold the secrets of the universe between their buttery crusts, but they're still pies.

Joss is happy to let his older brothers shine. He has plenty to keep his hands full: attempting to improve his bowling score; listening to his best friend, Kal, try (and fail) to play the drums; and exploring his ever-changing home, The Realms. But when Earth suddenly disappears, Joss is tasked with the seemingly impossible job of bringing it back. With the help of Annika, an outspoken girl from Earth, he embarks on the adventure of a lifetime...and learns that the universe is an even stranger place than he'd imagined.

From the *New York Times* bestselling author of *The Candymakers* comes a world-hopping tale that leads the reader deep into the heart of the mysteries of time and space. Plus, there's pie.

From reader reviews:

Bruce Benedict:

With other case, little individuals like to read book Pi in the Sky. You can choose the best book if you'd prefer reading a book. Given that we know about how is important a new book Pi in the Sky. You can add information and of course you can around the world by the book. Absolutely right, because from book you can learn everything! From your country till foreign or abroad you will be known. About simple point until wonderful thing you could know that. In this era, we could open a book or searching by internet product. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's read.

Hoa Gilkey:

This Pi in the Sky book is not really ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book will be information inside this e-book incredible fresh, you will get details which is getting deeper anyone read a lot of information you will get. This Pi in the Sky without we realize teach the one who examining it become critical in thinking and analyzing. Don't become worry Pi in the Sky can bring if you are and not make your carrier space or bookshelves' turn out to be full because you can have it inside your lovely laptop even cellphone. This Pi in the Sky having great arrangement in word and layout, so you will not sense uninterested in reading.

Donald Thomas:

Pi in the Sky can be one of your beginner books that are good idea. All of us recommend that straight away because this publication has good vocabulary which could increase your knowledge in vocabulary, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort to put every word into enjoyment arrangement in writing Pi in the Sky however doesn't forget the main level, giving the reader the hottest in addition to based confirm resource info that maybe you can be among it. This great information can drawn you into new stage of crucial contemplating.

Karen Huff:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Pi in the Sky can make you truly feel more interested to read.
