Resolute Strike (The War for Terra Book 7) James Prosser

Betrayed by the Alliance he had sworn to protect, Lee Pearce struggles to cope with an enemy turned ally and an old friend who seems intent on betraying everything they have fought for. Gathering his forces together, Lee embarks on a secret mission to save the Alliance from the invading forces of the Gizzeen. It's a race against time and a mission to save the galaxy from an enemy much closer to home than they suspect.

The War for Terra series continues in this action-packed adventure that brings the war full circle and ends with a daring raid into the heart of Gizzeen space. Resolute Strike twists and turns through a labyrinth of intrigue and adventure culminating in the most shocking ending of all.
