## **Common Sense** Thomas Paine

Thomas Paine (February 9, 1737 – June 8, 1809) was an English-American political activist, philosopher, political theorist and revolutionary. One of the Founding Fathers of the United States, he authored the two most influential pamphlets at the start of the American Revolution, and he inspired the rebels in 1776 to declare independence from Britain. Paine emigrated to the British American colonies in 1774 with the help of Benjamin Franklin, arriving just in time to participate in the American Revolution. Virtually every rebel read (or listened to a reading of) his powerful pamphlet *Common Sense* (1776), proportionally the all-time best-selling American title which crystallized the rebellious demand for independence from Great Britain. His *The American Crisis* (1776–83) was a pro-revolutionary pamphlet series. *Common Sense* was so influential that John Adams said, "Without the pen of the author of *Common Sense*, the sword of Washington would have been raised in vain.

### From reader reviews:

#### **Jacqueline Gore:**

Book is to be different for each and every grade. Book for children right up until adult are different content. As we know that book is very important normally. The book Common Sense seemed to be making you to know about other know-how and of course you can take more information. It is quite advantages for you. The publication Common Sense is not only giving you far more new information but also to become your friend when you really feel bored. You can spend your personal spend time to read your guide. Try to make relationship while using book Common Sense. You never sense lose out for everything in the event you read some books.

#### **Mona Savoy:**

Spent a free time and energy to be fun activity to complete! A lot of people spent their spare time with their family, or their own friends. Usually they undertaking activity like watching television, planning to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Could possibly be reading a book may be option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of publication that you should read. If you want to attempt look for book, may be the book untitled Common Sense can be fine book to read. May be it may be best activity to you.

#### **Claudette Everett:**

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Common Sense can make you truly feel more interested to read.

#### **Hilary Winters:**

Some people said that they feel fed up when they reading a publication. They are directly felt this when they get a half regions of the book. You can choose typically the book Common Sense to make your reading is interesting. Your own skill of reading expertise is developing when you similar to reading. Try to choose very simple book to make you enjoy to read it and mingle the sensation about book and studying especially. It is to be very first opinion for you to like to open a book and read it. Beside that the reserve Common Sense can to be your friend when you're sense alone and confuse with what must you're doing of these time.
