Forgotten Heroes and Villains of Sand Creek Carol Turner

On November 29, 1864, Colonel John Chivington led a bloody and terrible raid on an encampment of Arapaho and Cheyenne who had come to the area believing they were on a path to peace. Before it was over, between 130 and 180 Native Americans had been massacred. This attack, known as the Sand Creek Massacre, is one of the most well-known and notorious events in Colorado's history. In *Forgotten Heroes and Villains of Sand Creek*, author Carol Turner turns an eye to the central characters, their histories and how they came to be part of this bloody episode. This fascinating look at such a pivotal event, its instigators and its martyrs includes the stories of John Chivington, an ambitious preacher with a streak of cruelty; Captain Silas Soule, a man who is still honored today by the Cheyenne and Arapaho tribes for his efforts to save their ancestors; Ned Wynkoop, the Fort Lyon commander who had a change of heart regarding the tribes; Chief One Eye, a persuasive and charismatic medicine man; and many, many more.
