Origins of a Psychopath (Nephilim Imprint) (Volume 1) V. Bryan

The field of psychology and psychiatry identifies the characteristics of psychopaths in society, but the spiritual side of this issue is basically not understood and ignored. Why psychopaths exist has remained a mystery until now. As a student of the Word of God for nearly thirty years, I believe the answer to this mystery can be found in the Bible. When one understands spiritual roots, the origins of psychopaths come to light. Adolf Hitler, a man identified as a psychopath, sent millions of people to their deaths without mercy. Through him and the iniquity of his family line, the reader will step back in time and discover the Origins of a Psychopath.
