An excerpt:

"Ha! Our party is complete," said Homes, pulling her mouth from Peter's cock for a moment. "Get over here will you Watson and help complete my three pipe problem."

It took no little manoeuvring but then we resolved ourselves. I lay on my back on the floor and Homes was lowered onto me, my cock burying itself deep in her pussy. Peter laid on top of Homes, squashing her between us and easing himself into her arse as she gasped loudly. When her mouth opened to moan the stranger in the frock coat shoved his cock into her mouth and at that moment the three pipe problem was solved.
