The beautiful piano-based ballad "Blessings" is among today's most sought-after Contemporary Christian sheet music titles. With this licensed edition, pianists and vocalists can play and sing one of the most memorable worship songs of our time. This piano/vocal/guitar edition is published in the same key as Laura Story's award-winning recording (B Major), and its piano arrangement faithfully reflects the accompaniment that's heard on the album. The vocal melody is notated on its own staff, along with complete lyrics and basic chord fingering grids for optional guitar accompaniment.
