Religion Refuted: Debunking the case for God Daniel K Chaney

“Reason is the greatest enemy that faith has.” So said Martin Luther, who launched the Protestant Revolution. And Luther was right! Yet big-name religious apologists—William Lane Craig, Alvin Plantinga, Richard Swinburne—boast that religious faith is reasonable, more reasonable than atheism. In *Religion Refuted*, author Daniel K. Chaney takes on such boastful claims. All the best arguments for belief in God are laid bare on the coroner’s table and subjected to the mind’s scalpel. Be forewarned that this is no superficial scraping of the arguments. In *Religion Refuted*, you will witness a rigorous autopsy performed by an energetic coroner who obviously enjoys his work. And you’ll enjoy it, too. Caution: This book contains plenty of science, philosophy, and irreverence.
