We live in a culture that seeks to destroy the embryonic faith of our children and usher them into politically correct ideology, godless systems of belief, and gross immorality that would have shocked previous generations. This is what confronts today's Christian parents and many of them are terrified of it. We live in truly perilous times. But the good news is there is a way you can be victorious in this battle for the hearts, minds, and souls of your precious children. Whatever stage you are in as a parent or grandparent, you can leave a spiritual legacy that will equip your children and grandchildren with an unshakable heritage of faith. YOUR LEGACY tells you how by presenting:

- Dr. Dobson's personal story of his own spiritual legacy
- Strategies for the spiritual training of children
- Help for parents of prodigals
- Hope for reaching unsaved parents
- Principles for building a love relationship with your children
- Testimonies from parents who got it right
- Stories you can read to your children for leaving your legacy
- Steps you can take to lead your child to Christ

How can you teach your children what matters most? It is by being intentional about their spiritual training. YOUR LEGACY will help you make that the central priority of your family.
