## **Marxist Criticism of the Bible: A Critical Introduction to Marxist Literary Theory and the Bible (Biblical Seminar)** Roland Boer

This is the first large-scale critical introduction for biblical criticism of a significant area of contemporary cultural and literary theory, namely Marxist literary criticism. The book comprises studies of major figures in the tradition, specifically Althusser, Gramsci, Eagleton, Adorno, Benjamin, Bloch, Lefebvre, Lukács and Jameson. At the same time, through careful choice of critics, the book will function as a general introduction to Marxist literary theory as a whole in relation to biblical studies. Throughout the aim is to show how this material is relevant to biblical criticism, in terms of both particular approaches to the Bible and the use of those approaches for interpreting selected texts from Genesis, Exodus, Ruth, 1 Samuel, 1-2 Kings, Jeremiah, Ezekiel, Psalms and Daniel. Biblical Seminar Series, Volume 87
