**Starving The Demons: An Endtimes Revelation of the Demonic Realm (Volume 1)** Martha Clayton Banfield

The Starving the Demons Series is an Endtimes Revelation of satan's "Modus Operandi" or method of operation, which is ALWAYS in counterfeit or camouflage. satan knows that if you can readily SEE what he is up to, you would immediately know that all he is or does is only a lie. The ONLY way he can operate is to DECEIVE or fool you into thinking that what you are doing or seeing or thinking is OF GOD. You must beware in these Endtimes NOT TO BE DECEIVED! The whole modus operandi of the AntiChrist system is ALSO going to be the appearance of a false MESSIAH, or someone who will appear similar to Jesus Christ, and many are going to be deceived by what appears and LOOKS like the real thing. Starving the Demons will open your eyes to the "legalistic" system of satan and his demons.
