Swim, Bike, Run, Eat: The Complete Guide to Fueling Your Triathlon Tom Holland, Amy Goodson

It's race day and you have your quick-closure running shoes, sleek suits, bikes, goggles, and watches, but if you haven't been training with the proper nutrition, you'll be left in the dust in the third mile. Enter *Swim, Bike, Run--Eat* to guide you from day one of training to the finish line and help your body perform at it's peak of fitness. In this book, author **Tom Holland** joins up with sports dietitian **Amy Goodson** to cover race-day essentials, food choices to complement your training regimen, as well as recovery nutrition. Learn how to determine what to eat; what to drink; how many calories to consume each day; whether or not to carry snacks while training; the difference between taking in calories from solid foods, semi-solids, and liquids; and whether or not to take electrolyte or salt tablets. This book is the ideal companion to Holland's *The 12-Week Triathlete*. Casual and core triathletes alike require a nutrition guide that is easy to understand with expert advice that is easy to implement. Look no further and get ready to take your triathlon to a new, healthier level.
